

IndigiScapes Activity Book

Yura,

We say 'Yura' to welcome you into Quandamooka Country. Our waterways are precious, so it is important we work together to keep our rivers, creeks and bay healthy. Enjoy the activities and games in this booklet and learn more about our waterways.

Seena and Curtis

The Jandai translation of 'Yura' in English is 'welcome'.

The Nunukul and Goenpul clans of Quandamooka belong to the Jandai language group and the Nughi belong to the Gowar dialect. The Jandai words used in this booklet were sourced from Jandai Language Dictionary published by Minjerribah Moorgumpin Elders-in-Council Aboriginal Corporation.

Yummy!

Draw a line from the animal to what it likes to eat.

Lorikeet

Fruit

Python

Bottlebrush flower

Possum

Leaves

Frog

Beetle

Koala

Rat

Help the koala find our 400 year old tallowwood tree.

Fun Fact: Koalas have two thumbs which make them excellent climbers!

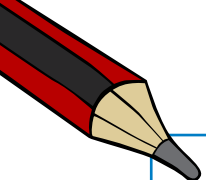

Colour
me in!

Fun Fact: Camouflage helps animals hide in their environment.

Can you find the **hidden** animals?

Draw/Imagine

Draw an animal you saw today.

Dot-to-Dot

Finish the picture.

Fun Fact: Powerful owls make the sound 'woo-hoo', instead of 'hoot hoot'.

Are you an Eco Hero?

I pledge to:

- ☐ Plant a native tree for wildlife
- ☐ Remind grown-ups to slow down while driving in the car at night
- ☐ Keep our dog inside at night

Scavenger hunt

Explore the bushland and gardens at IndigScapes.
Tick the box when you find these treasures.

☐ Nest box

☐ Butterfly

☐ Bee hive

☐ Ant

☐ Bird

☐ Turtle

☐ Dragonfly

We hope you loved completing the activities in the book.

Yuwayi, we'll see you again soon!

The Jandai translation of 'Yuwayi' in English is 'goodbye'
