

## **Exhibitor site bump in schedule Environment and Community Fair - Saturday 7 June**

Please contact the Event Coordinator if you plan to set up your gazebo only on **Friday 6 June**, to confirm a time and again on arrival before entering the gardens.

On arrival please,

- Wait at the entrance to the gardens for direction to your site before entering slowly with your hazard lights flashing.
- Unload your vehicle
- Upon direction, return vehicle to the stallholder parking located at the Nursery, via the My Horizon and Event parking.
- Where possible, we recommend that you park and walk your goods in.

**Parking at the IndigiScapes Centre Carpark is prohibited without a parking permit**, it is important that these spaces be left for guests with impaired mobility or performers with equipment.

Back gate entrance through the Melaleuca Grove is currently not accessible.

Please arrive for bump in within the time frame allocated below, **or earlier**.

This is a guide only, to avoid peak arrival time delays.

We understand this timeframe may not be possible for everyone.

**There will be no vehicle access in the gardens after 7.30am and a Site Safety Briefing will be held at 8.15am at the Botanic Garden entrance.**

We thank you in advance for your patience and cooperation to assist us to manage a safe Bump in and out of this event.

We look forward to welcoming our regular and new stallholders, for an enjoyable market day in the beautiful surrounds of IndigiScapes.

Botanic Gardens thoroughfare, **Playground area**, as well as the **Nursery Market Gardens**.
